BOERHAVE'S HOLLAND BITTERS

THE CHERBRATED HOLLAND REMEDY FOR

BYSPEPSIA, DISEASE OF THE KIDNEYS, LIVER COMPLAINT, WEAKNESS OF ANY KIND, FEVER AND AGUE.

STOMACH ORLIVER, STOMACH OR LIVER,
Such as Indigestion, shellify of the stomach. Colledy
Pains, Heartburn, Loss of Appelite, bespondency,
contremess, Blind and Bleeding Piles. In all Nercous, Bhinematic and Nurration, Adoutions, it has
in numerous instances proved highly hencinini, and
in others effected a decided cure.

This is a purely veretable compound prepared on
scientific unforpies, effer the manner of the celebrated Holland, Professor, Borrhave. Because of its
great spoens in most of the kuropeon States, its introduction into the United States was utreated more
especially for those of our fatherind sea thered here and there ever the face of this mighty country— Meeting with great success among them, I now other it to the American public, knowing that its truly conderful medicinal virtues must be acknowledged. It is particularly recommended to those persons whose convibutions may have been impaired by the continuous use of ardeat spirits, or other forms of dissipation. Generally instantaneous in circo, it tinds its way directly to the search (life, thrilling and quickening every nerve, raising up the drouping apirit, and infact, iniming new health and vigor in the system.

Ayer's Ague Cure, which neutralizes this malarious poison in the blood, and stimulates the liver to expet it from the body. As it should, so it does care this as blood, and stimulates the liver to expel it from the body. As it should, so it those curv this activities of disorder with porfect certainty. And it does more, or rather does what is of more service to those subject to this infection. If taken in essation is expell it from the system as it is absorbed, and thus keeps those who use it free from its attacker, keeps the system in heatit although exposed to the disease. Consequently it not only cures, but protects from, the great variety of affections which are linduced by this malignment influence, such as Romittont Fever, Chail Fever, Damb, or Masked Agus, Feriodical Headache, Carrier, Damb, or Masked Agus, Feriodical Headache, Carrier, and Headache, Billous Fevers, Nounigia, Rheumatism, Gout, Bilhoufess, Toothache, Larriche, Catarch, Aatham, Palpirlatons, Palmid Affections of the Stomach and Bowels, and Palpirli Affections of the Stomach and Bowels, and of which, when arising from this cause of those derangements, and cures the disease.

This is accomplished by stimulating the excretions to expel the virus from the system; and these derangements, and cures the disease.

This is accomplished by stimulating the excretions to expel the virus from the system; and these organs by discreas become habited to do this these contents in expel the virus from the system; and these organs by discreas become habited to do this their office of their swy accomplish the same end, but often life is not long round, or is sacrificed in the attempt, while this "Acuta Gune" does it at once, and with safety. THERE IS GOING TO BE WAR -- Every Arrival from Europe brings us nearer the great crisis which overhangs the Old World. The next news may bring us accounts of actual hostilities. Let us begin to prepare and set our houses in order, for we know not when it will end. It may become universal. Who knows but the whole civilized Globe may yet be destined to undergo purification through war and bloodshed. Let us hope for the best and prepare for the worst.—Buff. Rep.

Cave's Grace.—A pious old negro, saying grace at the table, not only used to ask a blessing on his board, but he would also petition to have a deficient dish supplied. One day it was known that Cato was out of potatoes, and suspecting that he would pray for some at dinner, a wag provided himself with a small measure of the vegetables, and stole under the window near which stood the iable of our colored friend. Soon Cato drew up a chair and commenced:
